

Buoy Beer Company in Astoria, Oregon is Hiring a Maintenance Technician (FT)

River Barrel Brewing, dba. Buoy Beer Company, is seeking a Maintenance Technician (FT) to take ownership and pride in our craft beverages and spreading the love in the Pacific NW. We're a hard-working and growing operation and are looking for the right person to grow with us. The ideal candidate will be flexible, open to learning, have a sense of urgency, and can prioritize quickly based on business needs. This is a great opportunity for someone seeking job variety and continued growth in preventative maintenance; all while working within a safe and productive environment.

Job Duties include (but not limited to):

- Responsible for preventative maintenance routines
- Focus on equipment repairs in a timely and safe manner
- Involved with projects that involve the installation of new equipment
- Assist in developing SOPs (Standard Operating Procedures) and help develop future maintenance programs
- Execution of daily/weekly preventive maintenance programs
- Ensure the work environment is safe at all times
- Weekly cleaning and organization of maintenance shop
- Helping out in packaging as needed

Job Requirements:

- Must be 21+ years of age
- Driver's License and clean DMV
- Forklift experience preferred
- General electrical skills
- Building maintenance and/or construction experience
- Able to troubleshoot in a dynamic environment
- Available to work a flexible schedule including weekends, holidays, and nights
- Physically able to regularly lift, bend, crawl, and work in tight places
- Willing to work in various climates, in- and outdoors

- Take pride in our sustainable practices (recycling, waste reduction, etc.)
- Treat teammates with respect at all times
- Passionate about your work, the craft beverage industry, and our community

Experience in the following are considered a plus:

- Maintenance knowledge in Brewing, Beverage or Food Processing environment
- Experience with PLC automation and instrumentation
- Commercial brewing and packaging processes
- Rebuilding of motors and pumps
- Pneumatics and Hydraulics
- Welding experience
- Air compressor maintenance
- HVAC and refrigeration
- Boiler maintenance

Compensation:

- Competitive pay based on experience
- 100% employer-paid base health insurance with additional electives
- Participation in the 401k Plan with company match
- Paid holidays, plus 80 PTO hours per year, which increases the longer you're with us
- Beer and food perks
- Access to our EAP and Financial Fitness tools
- We're still a young company and always adding to this list...ask us if you have a question

We're continuing to expand here at Buoy Beer Company and are looking for talented people to grow with us. The brewery/ Restaurant is in Astoria, Oregon, in the Columbia River (literally on a dock in the river) at the mouth of the Pacific Ocean. Over the last few years we've quickly become known for our dedication to traditionally made European Lagers, as well as our NW inspired Ales.

The Maintenance Technician will be part of our Production team, with opportunity to learn and grow. You've got to be able to enjoy life with us, but also work hard in what has been a constantly evolving business.

Buoy Beer Company is an equal employment opportunity employer and implements policies and practices that do not discriminate against applicants and employees. Post-offer background check may be required.

Check out our social media (@buoybeer) and website (buoybeer.com) to find out a bit more about us. If you're interested to apply or learn more, please send your cover letter and resume in Word or PDF format to Jobs@buoybeer.com.
